

Angel Heart International, Inc. 2016 Q1 Report

Angel Heart International (AHI) has kicked off the year of 2016 with a productive first quarter. Whether it is through planning, leading, or supporting new and ongoing projects, each of our volunteers has lent an invaluable helping hand to the children AHI serves.

Angel Heart's [2015 Annual Report](#) is now available on our website. The [Winter 2015 Newsletter](#) is also available online and will be live on the website shortly.

I would like to welcome and recognize all new and returning members of AHI's board of directors. With the conclusion of the first quarter, the AHI leadership team is as follows:

- Jennifer Yang, President
- Tiffany Wu and Yvonne Lu, Co-Vice Presidents
- Shouyan Lee, Director of Clinical Affairs / Director of Government Affairs
- Bei Lin, Treasurer
- Carissa Chen, Director of Volunteering
- Esther Wang and Jenny Wang, Co-Director of Operations
- Albert Lee, Co-Webmaster
- Helen Lu, Co-Webmaster / Director of Caring Trip
- Jedidiah Wang, Director of Donations
- George Hu and Bryan Lu, Co-Social Media Coordinators
- Haotian Xu and Allen Lu, Co-Directors of Social Affairs
- Amy Dong and Kimberly Shi, Co-Directors of Publications

During the first quarter, AHI sponsored the surgeries of 3 new patients, MeiTing Zhao, Le Shu, and YanMei Ji. In addition to the continuous care and follow-up that AHI's team provides to patients, our China team plans to conduct house visits to incoming patients in the near term.

In the United States as well, AHI has grown and welcomed new volunteers into our team. These volunteers will be working closely with their department leaders, who will provide team members with mentorship as they transition into their roles.

AHI has also received immense support from partners and donors. In January, Pacific Academy hosted a concert fundraiser, raising over \$28,000 in support of AHI's mission. In addition to those made during the fundraiser, contributions from our donors have—and continue to—make our vision possible.

For more information and updates, please visit our [website](#) and [Facebook page](#). A new [video](#) introducing AHI's mission is featured on the website homepage. I invite you to take a peek into the AHI journey from the eyes of our volunteers and patients.

Thank you for your support.

With love,

A handwritten signature in black ink, appearing to read "Jennifer Yang", written in a fluid, cursive style.

Jennifer Yang
President, Angel Heart International, Inc.
